

**Our Community Groups (CG) are small gatherings that typically meet weekly in homes to develop friendships and build community. They are a smaller expression of our church**

Community Groups are an essential component of life at Grace Hill Church whereby we seek to accomplish three purposes/goals:

- 1) Foster biblical gospel community
- 2) Participate in mutual discipleship
- 3) Spur one another to evangelism and disciple-making

The groups practice the following:

- Sermon discussion and application
- Prayer
- Fellowship
- Local Ministry Service

If you are interested in a community group, please talk with a leader or an elder for more information. You may also email [info@gracehillchatham.com](mailto:info@gracehillchatham.com)
